2. Letter From Konecranes Finland Corporation dated 26th February 2021 Regarding Handover Project and subsequent related documentation.

According those Matters, We would like to inform you that regarding to Training of World Class Automated Terminal, with consideration of Pandemic Covid-19 and un certainty of better condition, it is better for both Party to cancel the Training of World Class Terminal.

With that cancelation PT Prima Terminal Petikemas suggested Konecranes to compensate that training cost to be an extended warranty of 12 Unit A-RTG. As a fairness compensation all the cost that arise during the conduction of this training should be compared and calculated to the cost of extension of warranty period so that we could receive the best extension period.

Regarding above matters, herewith we attached you draft of agreed minutes of second handover and Training of World Class Automated Terminal to be approved by Konecranes.

Thus this letter were made thank you for your kindly attention and cooperation.
